

Matthew C Lau [linkedin.com/in/matthew-lau](https://www.linkedin.com/in/matthew-lau) • Design Portfolio: <https://www.matthewclau.com>

UX/UI Designer with a track record of bridging design and engineering through scalable design systems and data-driven product decisions. Synthesizes large-scale user research (200+ usability tests) into measurable improvements across enterprise and startup products.

PROFESSIONAL EXPERIENCE

UX/UI Designer – Collette Vacations, Pawtucket, RI Jun 2022 – Dec 2024

- Designed and shipped key website features across marketing and booking flows, improving usability and ensuring high-fidelity implementation through tightened cross-functional alignment.
- Architected an atomic Figma design system and pioneered the company's first Dev Mode rollout, standardizing UI across 4+ product lines and improving engineering velocity while reducing handoff time by 30%.
- Spearheaded a data-driven redesign by synthesizing insights from 200+ usability tests, resulting in a 20% increase in user task completion rates and presenting findings to executive stakeholders.

Administrative Assistant – Kumon Learning Center, Flemington, NJ Aug 2025 – Present

- Coordinate daily operations across staff, parents, and students, resolving communication breakdowns and workflow issues for 70+ students weekly.
- Manage and troubleshoot **Kumon Connect** (digital learning and grading platform) workflows for 10+ students, resolving technical and usability issues to support learning progression.
- Design and produce marketing assets across print and digital channels (holiday cards, signage, social media content).

Freelance UX/UI Designer Oct 2018 – Jan 2022

- Consulted with **EY Design Studio**; delivered high-fidelity prototypes for internal tools at **Morgan Stanley**, and prepared stakeholder presentations for teammates.
- Designed a data visualization tool called **Forecastagility** in a startup environment with **Infinite Corporation**, ensuring full alignment with a Vue.js/Vuetify development environment.
- Directed the end-to-end redesign and front-end development of **Edison Dental 27** using WordPress and Elementor.

Freelance Graphic Designer May 2017 – June 2022

- Curated images for **Aduro Products** on Amazon for 100+ products using Photoshop.
- Collaborated with producers to create various on-air graphics for **News 12 New Jersey**.

EDUCATION

B.A. Computer Science, Rutgers University, New Brunswick, NJ Sep 2013 – May 2017
